Exporting From India To Global Markets

OUR STORY

Indian agricultural inputs. Global supply.

PRAARAV GLOBAL is an export company based in Rajkot, Gujarat. We supply Indian crop protection products, fertilizers and plant nutrition products to importers and distributors in other countries. Our products are made by Krishna Bio Tech started in 1990, Our parent company, which has [36+ years] of experience in making agricultural inputs. Our team knows these products from the plant floor to the shipping container, so when you ask a question, you get a real answer.

Our Range Includes:

Insecticides

For control of insects and mites.

Fungicides

For control of fungal diseases.

Herbicides

For control of weeds.

Fertilizers

For major and micro nutrients.

PGR

For flowering, fruiting and plant growth.

Bio Stimulants

For better nutrient uptake and plant strength.

Every country has its own rules for agricultural products. Tell us your market and the product you need, and we will confirm the specification, pack size and what the destination country requires. We then arrange the export documents and keep you updated until your shipment is dispatched.

How We Work

Product Details

Composition, formulation and pack sizes for every product.

Availability

A clear answer on stock and delivery time.

Your Brand

Private label if you hold the product registration in your country; if not, we can work with you on co-marketing.

Your Contact

One person who handles your enquiry through to shipment.

Our Aim

To be a reliable and easy partner for importers: good products, clear information and shipments delivered on time.

WHY PRAARAV GLOBAL?
